

MENU DEL GIORNO €29

Dear Friends,
Amici Cari,

For your swift lunch, we've curated this two-course menu featuring antipasti and a main course. You are invited to choose one of two antipasti and one of three main courses.

Additionally, we offer you a Dessert of the day at a special lunch price of 8 EUR. We will be happy to tell you more about today's selection.

The menu includes a slice of our freshly baked focaccia and our classic complement — Carta di Musica crisps flavoured with goat cheese mouse, pistachios and Dukkah spice.

Please note that we will not be able to change the dishes of your choice.

You're always welcome to add any of our tasty antipasti, pizza, or pasta to your order; we can advise you on the preparation time for each dish.

Buon appetito!
